This looks good. I had a few small tweaks and one addition at the end—I think Mike and Steve are focused on how we're going to move forward to address this issue, working with the regions on communications etc.

Thanks for the chance to review in advance.

Erika,

Attached is the pager on EtO for Mike and SPPD. The mtg is 3pm tomorrow. Thanks in advance for your review.

There are several aspects of the EtO issue we would like to communicate, so we organized the pager by putting a set of summary bullets at the top, then expanding on each topic in the body of the pager.

Thanks,

Kelly
